

Advanced Search Fields with English Translations (December 8, 2015)

Search field		Item		Explanations and Important tips
German	English	German	English	
Alle Metadaten	All metadata	Open Input Field		Equal to "Simple search" but best in connection with an additional search item
Dokumenttyp	Document type	Foto	Photo	Language coding only if text in photo!
		Übersicht	Table	All of them have language coding
		Schematische Darstellung	Schematic Diagram	
		Diagramm	Diagram	In near future you'll find dwg-files in attachment for use with AutoCad, CorelDraw and others!
		Kartierung	Map	
		Andere	Others	
Titel	Title	Open Input Field		Special search in the object title
Schlagworte	---	German keywords (alphabetical order)		Don't use, use field "Keywords" only !!!!!
Autoren	Authors	Alphabetical index (original names)		Use it for special searches
Marke	Brand	Alphabetical index (original names)		Original Brand names even when overtaken by others
Herkunft	Source	Institutions in German language with responsible person or from archive (Archiv) or drawing office (Zeichenbüro)		Interesting, when related to a certain person or for searching drawings
Farbe	Color	Schwarzweiß	Black&White	
		farbig	Colored	
		einfarbig	Single-color	Mainly white on blue background
Sprache	Language	International Coding		Most important for any "English User"
Keywords	Keywords	Any used keyword now in English (improvements welcome)		!!! Your key to the collection !!!
