Fiona Henkel is therefore removed from the Acknowledgments. The corrected Acknowledgments appears below.

We thank Johanna Grosch for help with the preparation of histology slides.

New author Fiona Henkel is now part of the Author contributions. The corrected Author contributions statement appears below.

A-MM performed most experiments and data analysis. KH, FA, BS and AA contributed to experiments and analysis. FH, FR and MH performed LC-MS/MS measurements. AK and KS performed bioinformatic analysis. CS-W and JE-B co-supervised the study. CO supervised the study, performed data interpretation, acquired funding and wrote the manuscript with input from all co-authors. All authors contributed to the article and approved the submitted version.
